

Germany Company Incorporation Package#1_Company registration only**Requirement for Set up a Germany Company**

As a form of capital company, The limited liability company GmbH is equivalent to a legal person with 25,000EUR registration capital at least.

The Advantage of Germany Company

- a. It is good to service local clients, as some local clients or suppliers only would like to contact the companies registered in German, not overseas;
- b. Promoting the products and the company value, and the sale price could be a bit low to the market price in Germany;
- c. The registered capital is only 25,000 for company registration, which can be used for expenses;
- d. It is entitled to apply for permanent residence in Germany once the German company went smoothly around 4-5 years;
- e. Improving the brand image and international image of the company;
- f. Using commercial secretary could save a great of cost.
