2. Calculation of Registration Costs

Example 1: One mark one class

If you want to apply to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear), that is, one mark one class, the total fees for both trademark pre-filing search and registration request and certificate are:

Pre-filing search: USD180

Request for registration: USD540

Final registration/Certificate: USD180

TOTAL: USD900

Example 2: Two marks one class

If you want to apply to have your trademarks "ABC" and "DEF" registered in Class 25 (clothing, footwear, headgear), that is, two marks one class, the total fees for both trademark pre-filing searches and registration requests and certificates are:

Pre-filing search: $180 + 180 = \text{USD}360$

Request for registration: $540 + 540 = \text{USD}1,080$

Final registration/Certificate: $180 + 180 = \text{USD}360$

TOTAL: USD1,800

The costs illustrated in the examples above are based on the assumption of a smooth application, that is, no objection being raised by the trademark office or any other third party. Also, the costs stated above exclude courier charges for sending the Power of Attorney and delivery of Certificate of Registration upon acceptance of registration.

It is further assumed that the number of items of products included in each class is not more than 20. Each additional item after the first 20 is charged at a fee of USD10.

6. Payment Term and Payment Method

Our fees for each stage of an application are to be invoiced and settled before the commencement of each stage of service.

We currently only accept Hong Kong Dollar cheque, cash or TT and credit card through Paypal. **Please click here for payment methods.**

7. Refund Policy

No refund of fees will be made after the commencement of services. For example, if we have already performed the pre-filing search and the search results indicate that there is an identical mark already in the register and application for filing should not be proceeded, the fees for pre-filing search will not be refunded. Or we have already filed an application and the application is being objected and refused by the trademark office or any other party, then there will not be any refunded of fees.

In any case you pay us our fees for all three stages of an application, and the search results indicate that there is an identical mark already in the register and application for filing should not be proceeded, then the fees for services not performed, i.e., filing for application and issuing of certificate of registration will be refunded.
